the 4th BLOCK

The image is a high-contrast, black and white graphic design. It features a central yellow figure that appears to be a stylized, abstract human form or a creature, possibly a robot or a soldier, with a rectangular head and a body that seems to be in motion. The figure is set against a background of large, white, abstract shapes that resemble stylized letters or symbols, such as 'W' and 'D'. The overall aesthetic is reminiscent of mid-century modern graphic design or a poster. The text is located in the lower-left quadrant of the image.
